Sacrament of Confirmation Registration

GENERAL INFORMATION

We are currently registering **Year One Candidates** for confirmation classes. All candidates must be at least 12 years of age by October 2025 to be registered for year one.

In the Diocese of Saginaw, if your child is in grade 7 and below, they most likely have not been confirmed yet, there are some exceptions to this rule depending on your circumstances.
(including older children that have not been confirmed)

You can check to see if your child has received the Sacrament of Confirmation by getting a copy of their Baptismal Certificate.

Our first class will be for parents and candidates on

Tuesday, September 16 at 6:00 - 7:30 PM.

There are a total of 12 classes per year and run about twice a month. This is a two year process. Classes that begin September 2025 will be confirmed in spring of 2027.

After filling in this form, save it and email it to... lori@scsparish.com
